PUBLIC ARCHIVES OF CANADA

Memorandum No. 29170

A careful search through our various indexes to obtain information regarding the Watchman family has been made without success.

The census return of 1851 for Ernestown Township has been examined but the name Scrivens could not be found. The returns of 1842 for the Counties of Lennox and Addington are missing in our collection.

From your list of regiments the attached description of uniforms are the only two available here: one is for the Butler's Rangers and the other for the Royal Regiment of New York.
